

# Free Standing Sack Holder

With or without castors

**3**  
YEAR  
GUARANTEE

Light, practical, and functional support  
Can be fixed (B015CNM) or mounted on 4 wheels (B016CNM).  
Support for 100/110 L bags (not included).  
The trash bag is held open by tension between the two frames, making filling very easy.  
Maximum load: approximately 20 kg.

## Technical Description

- Steel tube Ø 20 mm, zinc-coated for the upright and fixed base
- **B015CNM**: Includes 1 central plate to hold the bag securely.
- **B016CNM**: Features 2 crossed flat irons to keep the bag from touching the ground when the support is moved + 4 wheels Ø 50 mm.
- Packaging: Cardboard.
